TUESDAY EVENING, SEPT. 6, 1892.

## LOCAL INTELLIGENCE.

Sun rises to-morrow at 5:40; sun sets at 6:20. High water 7:38 a. m. and 8:06 p. m.

**WEATHER PROBABILITIES.**—For this section fair, cooler, northerly winds, becoming variable.

**FIGHT IN A BUGGY.**—Some excitement was caused on Washington street yesterday evening by the disorderly behavior of a man and woman from Washington who had driven to this city in a buggy. Both were under the influence of liquor, but the woman was the most intoxicated. She insisted on taking the lines, but this her companion refused to allow and finally stopped her in the face. The blow cut the woman's lip, which bled quite freely, and soon her face was covered with blood. A gentleman who witnessed the occurrence stopped the horse and remonstrated with the couple, but finding that they did not want any interference on his part he released the horse and let them go. Soon thereafter, however, the horse, buggy, man and woman were taken in charge by a policeman and taken to the station house, where the man and woman were charged with fighting. The woman, on being taken from her face, showed that she was not at all hurt, and neither would prefer charges against the other. They left \$20 collateral for their appearance this morning and were released after being confined at the station house a short time. This morning they failed to put in an appearance, so they forfeited their collateral.

**POLICE REPORT.**—Last night was cloudy with a light rain about 11 o'clock. There were four prisoners at the station house.

The following cases were disposed of at the Mayor's office to-day: A man and a woman from Washington, charged with fighting in a buggy, forfeited \$20 collateral.

Alfonzo Arrington, drunk on the street, \$25.00.

A resident of the Third ward—a pensioner—drunk and disorderly, \$5.

A Washington Southern railroad engineer, charged with obstructing the streets by allowing his train to stand at crossings, continued.

Wm. Clarke, charged with robbing Richard Burnett's saloon, on upper Duke street, some time since, was locked up for future examination. Clark, it is said, was left in possession of the saloon while the proprietor went on an excursion, and is charged with stealing \$10 in money, 1,000 cigars, &c. He was arrested by Officer Ferguson this morning.

Dan Nelson, colored, assault on his mother, looked up till to-morrow.

**PERSONAL.**—Dr. and Mrs. O'Brien and Miss Carrie Evans left to-day for the Alleghany Springs, to be gone about two weeks.

Mayor Strauss returned from Charlottesville yesterday evening quite sick and is confined to his home.

Mr. W. N. McVeigh spent to-day in this city, but this evening returned to Richmond, where his sister, Mrs. G. P. Hill, and her daughter are very sick.

Miss Hetherington, of Philadelphia, is visiting Mrs. French Smoot, on Prince street.

Delegations from Jackson and Washington lodges of this city, will visit Hope Lodge, No. 20, of Washington, at the Masonic Temple, in that city on Friday, the 9th, to witness the Master Mason's degree conferred upon F. M. Houck, of that city.

Mr. and Mrs. Waldherr, of New York, who have been visiting Mrs. I. Rammel, have returned home.

Rev. T. H. Rice and Mr. K. Kemper left to-day for Mitchell's Station, to attend a meeting of the Chesapeake Presbytery to be held there to-night.

**COUNTY LAND SALES.**—The following sales of county real estate have recently been made:

Bridget Ryan to the Alexandria Real Estate Company a lot in Rosslyn for \$2,500.

Myron R. Horton to G. A. V. H. Dittmar 5 acres of the Hitchcock tract, in Washington district, for \$742.

E. A. Seilhauser to the trustees of Mt. Olive Baptist Church, colored, two acres near Arlington.

The North West Alexandria Improvement Company to J. S. Ray two lots in North West Alexandria for \$1,020.

Susanah Hyde to Mary A. Hyde a lot near Carlin's Spring.

F. Huffy, trustee, to J. J. Snodgrass a house in Bon Air for \$200.

Samuel Shreve to H. H. Veitch three acres near Ball's Cross Roads for \$800.

**DEATH OF MR. J. J. DAVIES.**—Mr. James J. Davies, of Prince William county, whose serious illness was mentioned on Saturday, died at his home at Manassas yesterday of typhoid fever.

Mr. Davies was a well-known citizen of Prince William, respected by all who knew him. At one time he was editor of the *Manassas Gazette*, and on the election of Mr. E. Z. Meredith to Congress succeeded him as Commonwealth's Attorney of Prince William, which position he filled with credit. He was a staunch democrat and his counsels will be missed by his friends and party in that county. He was about 45 years old and was a native of England. He leaves a wife and several children.

**A SEASONABLE DISH.**—France may enjoy her reputation for pate de foie gras, Naples for its preparation of maccaroni and Charleston for its culinary powers over rice, but it has for many years been allowed that Alexandria enjoys an enviable reputation for the production of fried oysters. And though the famed Tennesson is no more he dropped his mantle hereabouts when the earthly house of his tabernacle was dissolved. This was demonstrated to-day by the appearance in this office from the Opera House Restaurant of a dish of fried oysters which were unexcelled in flavor and excellence and which were highly enjoyed.

**CONFEDERATE VETERANS.**—The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held last night, Commander W. A. Smoot presiding, and was well attended. An invitation from Bathbone Division, U. R. K. P., was received and respectfully declined. The committee on uniform reported progress. Comrade John S. Blackburn was appointed to co-operate with the Southern Educational Committee in reference to the preparation of a history for the schools of the South. The camp was entertained with interesting reminiscences of the war by comrades May, Adam and Perry.

**SCHOOL HOLIDAY.**—There having been no celebration of Labor Day, State holiday, here last Monday, and the employees of the R. & D. R. R. having requested Supt. Came to have their children excused from school on the occasion of their annual excursion to-morrow, which would take off a very large number of pupils, he has directed the closing of the white schools for the Labor Day holiday. A similar holiday will be given the colored schools later in the month when the industrial exhibition of the colored people takes place.

**ELECTRIC RAILWAY NOTES.**—The two big boilers for the electric railway power house which the contractors for hauling had so much trouble in getting to New Alexandria have at last been gotten there.

The draw for the bridge over Hunting Creek is being placed in position and work on the bridge is being pushed as rapidly as possible.

The contractors all along the line of the road are using every means to have the road ready for the cars as early a day as possible.

The stringing of the copper trolley wire was commenced to-day.

**THE WEATHER.**—The skies became cloudy just before dark last night and every one hoped that the long-expected rain had come at last, but all were disappointed. There were a few sprinkles, however, which were not sufficient to lay the dust, and before daylight this morning the skies had again become clear and the sun arose bright. The temperature to-day has been delightful, and the weather would be considered fine if the earth was not so dry.

**FUNERAL.**—The funeral of the late Mr. Cassius F. Lee took place this evening from his late residence on Duke street and was largely attended. The services were conducted by Rev. H. Suter, of Christ Church, and the pallbearers were Messrs. W. A. Smoot, H. R. Elliott, P. B. Hovee, E. S. Leadbeater, Geo. Chiler, and Dr. D. N. Rust. The interment was in Ivy Hill cemetery.

Miss Lizzie Bryan Ewing intends forming a class in art for the ensuing winter. Her experience in teaching has been notably successful, her pupils, who have ranged from small children to those of mature years, having, in every instance, made remarkable progress.

An accident occurred in the Anacostia yard of the B. & P. road last night which resulted in several of the cars of the south-bound fast freight train being wrecked. The accident was caused by a number of cars breaking loose and drifting against the rear end of the south-bound train.

Marriage licenses were issued in Washington yesterday to Wm. Washington and Lulu Foster, both of Charlottesville; W. W. Smallwood and Marie Louise Ballard, of Markham; George T. Jackson, of Fairfax; and Noble Johnson, of Culpeper, and to Harvey S. Stephens and Elizabeth A. Owen, both of Alexandria.

## Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Haral, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all, each bottle, it cured me, and thank God I am now a well and hearty woman." Trial bottles free at C. G. Lennon's Drug Store, 694 King street. Regular size, 50c and \$1.

## I HAVE been a great sufferer from dry catarrh for many years, and I tried many remedies, but none did me so much benefit as

Ely's Cream Balm. It completely cured me. M. J. Lally, 39 Woodward Ave., Boston, Highlands, Mass.

AFTER USING Ely's Cream Balm two months I was surprised to find that the right nostril, which was closed for over twenty years, was open and free as the other, and can use it now as I could not do for many years. I feel very thankful. R. H. Crossingham, 275 18th St., Brooklyn.

## A Little Pleasant Rivalry with a Solid Substratum.

We will give two inches of advertising space for six months in the Alexandria Gazette to the dealer in Alexandria who shall buy and pay for the largest amount of our shoes between the first of March and the first of September, 1892, provided only that our shoes are mentioned in each issue of the space for the period named. Three months to second largest buyer, six weeks to third largest. This simply illustrates our anxiety to have every lady and child in Alexandria walk in Alexandria-made shoes. We will see that the ladies need never blush to say that their shoes are home-made, and if economy is wealth, we venture nothing in guaranteeing you wealth, as wearers of our shoes.

Feb 22 2c THE POTOMAC SHOE COMPLY.
